Artist of the Month Program

An excellent source of publicity for Jefferson Art Guild and its membership is to promote our talented artists throughout the community with our new program--*Artist of the Month*.

This monthly recognition program is for all members, to be voted in by their constituents, with their recognition saluted through local newspaper articles. Each month at the general membership meeting members can bring in their artwork to be presented for vote by their constituents. Once selected as *Artist of the Month* their photo and by-line will be sent to the Times-Picayune as well as included in our newsletter.

Submitted art shall be within the by-laws for selling and/or judging shows, such as:

- Only two dimensional original art created by the submitting artist may be entered.
- All oil paintings must be thoroughly dry.
- Unless specified, nudes or suggestive works cannot be displayed.

This process shall not conflict with the actual meeting itself. Entries will be accepted between 6:30 – 7:00 pm during “fellowship” time. Once the regular meeting has been called to order, no entries or voting may continue. Please--no exceptions, for anyone, for any reason. Voting shall be democratic, one vote per member. If needed voting will continue during break. In case of a tie random selection by a board member shall be final. That winning painting shall not be eligible for reentry within the current calendar year.

This is an excellent way to participate in and promote our Guild not only through broadened membership activities but to reach into the community and let other artists and consumers know Jefferson Art Guild exist, how to join with us, and to discover how they too can be a part of our growing art community.

Get involved...bring in your painting for Artist of the Month and vote!
