## PLEASE READ

1. All entries must be original two dimensional (2D) fine art only. Artwork must be the painter's original design, concept, and execution created independently by the artist from life or from his/her own photo reference or from unpublished photographs with prior permission of the photographer. **Nonacceptable media** includes: three-dimensional (3D) works where objects (other than original hand-painted paper) have been glued or otherwise affixed to the substrate, reproductions, mechanically produced prints, photography, videos, crafts, jewelry, textiles, fiber art, montages and any computer-generated art.

## JUDGED SHOW

- **Artwork created in a workshop, classroom or under supervision of an art instructor may not be entered into a JUDGED competition; this is left to the discretion and honor of each artist.**
  - **Artwork created within the last three years is eligible.**
  - **A painting that has previously won an award in a prior JAG show is not eligible.**
  - **Artwork selected in monthly JAG Artist of the Month competition is eligible.**
  - **Only paintings hung on one 3' x 6' screen that will be marked "Artwork Eligible To Be Judged" will be considered by the Judge for an award.**
2. Decisions about whether or not a painting is eligible to hang in a show will be made by the Show Chairperson who's decision shall be final and binding.
  3. Artwork under glass must be properly framed with screw eyes and wire and free from dirt and dust. Paintings on gallery wrapped or back-stapled traditional stretched canvases **MUST BE PAINTED ON THE SIDES** (preferably with the image wrapping around the edges) and may be framed or unframed; but, in all cases, must be fitted with screw eyes and wire for hanging. For the safety and well-being of the artwork and patrons, no sawtooth hangers will be accepted.
  4. Oil paintings must be thoroughly dry.
  5. This official JAG entry form must be completed and signed and all applicable fees must be paid at the time of submission.
  6. Because of the public nature of JAG venues, unless otherwise stated in specific show rules, no nudes or suggestive art will be accepted.
  7. Artwork entered in this show may be removed from the board if sold prior to the end of the show. Remaining artwork should be rearranged in a pleasing manner.
  8. As a requirement for participation in this show, each artist must register to sit with the exhibit in a specific time-slot. If for some reason an artist is not able to meet his/her obligation to sit, it is their responsibility to swap with another member artist or provide a member artist as replacement for their time-slot.
  9. All work must be removed promptly at the end of a show.
  10. Violation of any of the foregoing rules will result in an artist being barred from hanging in JAG exhibitions for a period of one year from the offense.
